

# Updating Account Information

ServCat Partner Access Account information can be updated by the partner once the user is logged in. To log in with a Partner Access account, navigate to **ServCat** (<https://ecos.fws.gov/ServCat/>). If you are not on a FWS network, you will automatically be redirected to the **Partner Access to ServCat** page. Enter the username and password for the Partner Access account and click **Sign In**. Three failed attempts will result in the account being temporarily locked.
